Important information:

The regulatory and fiscal conditions relating to DEBENTURE BONDS, the REFERENCE COMPANY and the COMPANY PROVIDERS may be subject to changes that have adverse effects on the amounts payable to DEBENTURE BOND HOLDERS and may lead to the ISSUER repaying DEBENTURE BONDS prematurely or making adjustments with respect to one or more components or values of the COMPANY LOAN, the REFERENCE COMPANY and/or the amounts payable pursuant to these TERMS OF ISSUE and/or some other value and/or amount. The DEBENTURE BOND HOLDERS should be aware that

- (i) it is likely that neither the HYPOTHETICAL INVESTOR nor another person (particularly not the ISSUER) will exercise any rights (including voting rights) included with the COMPANY LOAN with regard to COMPANY INVESTMENT or act in the interest of HYPOTHETICAL INVESTORS or any other person (with the exception of rights received from the interests (in the following the terms 'dividend' or 'dividends' may be used) of the REFERENCE COMPANY or other payments associated with the redemption of COMPANY LOAN or a dissolution or merger of the REFERENCE COMPANY and or the COMPANY LOAN);
- (ii) interest on and repayment of the COMPANY LOAN is subject to the risk that with regard to the COMPANY LOAN respectively to the REFERENCE COMPANY a CREDIT EVENT might occur and that the rate of return and / or repayment of the DEBENTURE BONDS might be consequently reduced or that even no rate of return and / or repayment might happen; and
- (iii) that DEBENTURE BONDS Holders, in the event of the occurrence of a CREDIT EVENT TO THE REFERENCE COMPANY, have no direct recourse, in respect of any losses, against the REFERENCE COMPANY and do not necessarily benefit, after entering a CREDIT EVENT, of any positive developments regarding the REFERENCE COMPANY so that the investment in the DEBENTURE BONDS may be associated with a higher risk than a direct investment in the COMPANY LOAN (as a party).
- (iv) in the absence of suitable liquidity of the COMPANY LOAN, the amount of the payments owed by the ISSUER according to the TERMS OF ISSUE below is primarily dependent upon the degree to which the ADMINISTRATION AND ACCOUNTING AGENT is able to secure offers from market participants that can be considered POTENTIAL BUYERS of COMPANY LOAN in the secondary market, and that they may thus completely lose the capital they invested under these circumstances; and
- (v) dividends from the REFERENCE COMPANY are not guaranteed by either party and depend on various factors upon which the ISSUER has no influence (e.g. the economic success of the REFERENCE COMPANY, reinvestment of capital, or distribution decisions taken at the level of the REFERENCE COMPANY).

An acquisition of the DEBENTURE BONDS is only suitable for persons who have carefully examined the COMPANY DOCUMENTATION and are able to assess the risks associated with the REFERENCE COMPANY investment policy (including risks resulting from the structure of the REFERENCE COMPANY and its investments, as well as the risks of its fiscal and regulatory classification) based on their knowledge and experience and are able to bear any losses up to a complete loss of their investment.

4 REFERENCE ASSET

- 4.1 The “REFERENCE ASSET” is an asset held by a HYPOTHETICAL INVESTOR and consisting of
- (a) the CASH COMPONENT (see paragraph 4.2), which may even have a negative balance; and
 - (b) the repayment amount; and
 - (c) the outstanding interest claims of the HYPOTHETICAL INVESTOR against the REFERENCE COMPANY under the REFERENCE LOAN

On the ISSUE DATE, the REFERENCE ASSET is solely comprised of the CASH COMPONENT. After the ISSUE DATE, the CASH COMPONENT with incoming or outgoing payments is (i) reduced to include all payments made by the HYPOTHETICAL INVESTOR to the REFERENCE COMPANY in association with the COMPANY INVESTMENT and (ii) increased to include all payments received by the HYPOTHETICAL INVESTOR from the REFERENCE COMPANY in association with the COMPANY INVESTMENT.

- 4.2 The “CASH COMPONENT” refers to the ISSUED NOMINAL AMOUNT on the ISSUE DATE less, if applicable, the accumulated COST LIQUIDITY RESERVE on the ISSUE DATE and subsequently at the end of each INTEREST PERIOD
- (a) the sum of (i) the CASH COMPONENT at the end of the immediately preceding INTEREST PERIOD; (ii) all payments the HYPOTHETICAL INVESTOR would have received from the REFERENCE COMPANY associated with the COMPANY LOAN held by them during the relevant INTEREST PERIOD; (iii) INTEREST REVENUES from the investment of the CASH COMPONENT during the relevant INTEREST PERIOD; and (iv) all payments the HYPOTHETICAL INVESTOR receives from third parties during the relevant INTEREST PERIOD;

In this context, it is the case that (1) corresponding dividends from the REFERENCE COMPANY to the HYPOTHETICAL INVESTOR made as payments in kind, evaluated by the ADMINISTRATION AND ACCOUNTING AGENT at its own reasonable discretion and (2) insofar as the HYPOTHETICAL INVESTOR

has the option to receive these dividend payments either in the monetary form or as payment in kind, it is assumed that the HYPOTHETICAL INVESTOR has opted for a cash payment. If the REFERENCE COMPANY payments or dividends or the amounts thereof are dependent upon a decision by the HYPOTHETICAL INVESTOR, for the INTEREST AMOUNTS to be paid for the DEBENTURE BONDS, the ISSUER determines at their own discretion which decision the HYPOTHETICAL INVESTOR would have made with regard to the REFERENCE COMPANY payments and dividends or their amounts.

The CASH COMPONENT represents the calculated figure of a short-term, non-interest bearing, hypothetical deposit with the CUSTODIAN. The ISSUER is entitled to authorise another credit institution in the Grand Duchy of Luxembourg or the Federal Republic of Germany at any time and at their own discretion, as CUSTODIAN.

4.3 **“COMPANY INVESTMENT”** refers to an existing holding, by the HYPOTHETICAL INVESTOR in the REFERENCE COMPANY, comprised of a COMPANY LOAN, as a result of a subscription commitment by the HYPOTHETICAL INVESTOR on or near the ISSUE DATE, amounting to the ISSUED NOMINAL AMOUNT on the ISSUE DATE less any accumulated COST LIQUIDITY RESERVES on the ISSUE DATE. The COMPANY INVESTMENT involves a purely notional and furthermore passive investment, i.e. neither the HYPOTHETICAL INVESTOR nor any other person (particularly not the ISSUER) will exercise any rights (including voting rights) included with COMPANY LOAN with regard to the COMPANY INVESTMENT or act in the interest of HYPOTHETICAL INVESTORS or any other person (with the exception of rights received from the dividends of the REFERENCE COMPANY or other payments associated with the redemption of COMPANY LOAN or a dissolution or merger of the REFERENCE COMPANY).

4.4 The following capitalised terms are defined as follows:

“ISSUE PRICE” refers to the price at which COMPANY LOANS are issued to the HYPOTHETICAL INVESTORS with regard to a COMPANY LOAN and the level of the COMPANY INVESTMENT. In determining the ISSUE PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes, expenses and other factors that could be incurred in relation with the issuance of COMPANY LOAN to the HYPOTHETICAL INVESTOR on or near the ISSUE DATE.

“CUSTODIAN” is Bankhaus Neelmeyer AG (Bremen).

COMPANY relating to the COMPANY LOAN and this level of COMPANY INVESTMENT on the relevant COMPANY VALUATION DAY, in either case as disclosed by the COMPANY PROVIDER on the relevant COMPANY REPORTING DAY; the MANAGEMENT COMPANY generally discloses this value to its investors or a publishing service on behalf of the REFERENCE COMPANY.

"**HYPOTHETICAL INVESTOR**" refers to a public limited company in accordance with the laws of the Grand Duchy of Luxembourg (*société anonyme*), located in the Grand Duchy of Luxembourg, and which maintains a COMPANY INVESTMENT on behalf of and on account of a *Compartment* pursuant to the Luxembourg Securitisation Law of 2004 (as amended).

"**INTEREST REVENUE**" means the notional figure of a short-term and interest-bearing Cash Component at the Custodian. At any time the ISSUER is entitled, at its sole discretion, to nominate any other credit institution in the Grand Duchy of Luxembourg or the Federal Republic of Germany for the hypothetical investment of the Cash Component.

"**REDEMPTION PRICE**", with regard to a COMPANY LOAN and the level of the COMPANY INVESTMENT, refers to the price issued by the REFERENCE COMPANY or the MANAGEMENT COMPANY; this is the price at which a redemption of COMPANY LOANS by the HYPOTHETICAL INVESTORS takes place. At its own reasonable discretion (without being obliged to do so), the ADMINISTRATION AND ACCOUNTING AGENT may take the purchase price offered and paid to the HYPOTHETICAL INVESTOR by a suitable buyer (the determination of the suitability of the buyer is also determined at the reasonable DISCRETION OF THE ADMINISTRATION AND ACCOUNTING AGENT) as an alternative to the REDEMPTION PRICE for the COMPANY INVESTMENT in the REFERENCE COMPANY or a certain number of COMPANY LOANS, if it is of the opinion that the price published by the MANAGEMENT COMPANY cannot be obtained for a redemption of the HYPOTHETICAL INVESTOR'S COMPANY LOANS within the scope of the previous sentence. In determining the REDEMPTION PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes, expenses and other factors that be may be incurred in relation with the redemption of COMPANY LOANS by the HYPOTHETICAL INVESTOR on the FINAL REDEMPTION DAY.

"**INTEREST REVENUES**" refers to the accounting figure for a short-term and interest-bearing deposit of CASH COMPONENTS with the CUSTODIAN, whereby the ISSUER is entitled to authorise another credit institution in the Grand Duchy of Luxembourg or the Federal Republic of Germany for the hypothetical investment of CASH COMPONENTS at any time and at their own discretion.

5 INTEREST

- 5.1 Subject to the occurrence of a MARKET DISTURBANCE, the ISSUER will provide an interest payment on the DEBENTURE BONDS equal to the AMOUNT OF INTEREST (if this is greater than zero) with regard to their NOMINAL AMOUNT on each INTEREST PAYMENT DATE (in arrears). After the maturity date or the early maturity date, no further interest payments will be made.

“**INTEREST PAYMENT DATE**” is every 10th BANK WORKING DAY following the end of each INTEREST PERIOD and the MATURITY DATE is the last INTEREST PAYMENT DATE, subject to the occurrence of a MARKET DISTURBANCE. The first INTEREST PAYMENT DATE will be the 14 August 2015.

“**INTEREST PERIOD**” is each period from the ISSUE DATE (inclusive) and up to the first INTEREST DETERMINATION DATE (exclusive), and thereafter from each INTEREST DETERMINATION DATE (inclusive) up to the subsequent INTEREST DETERMINATION DATE (exclusive).

“**INTEREST DETERMINATION DATE**” is 1 August of each calendar year, the first of which, however, occurring on 3 August 2015 and the last on the FINAL VALUATION DAY.

In the event of a MARKET DISTURBANCE (paragraph 7), the INTEREST DETERMINATION DATE shifts, as does the corresponding associated INTEREST PAYMENT DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

- 5.2 The ADMINISTRATION AND ACCOUNTING AGENT will calculate the AMOUNT OF INTEREST to be paid on a DEBENTURE BOND on the relevant INTEREST PAYMENT DATE, in each case calculated on the immediately preceding INTEREST DETERMINATION DATE in accordance with the following formula and in the SPECIFIED CURRENCY:

$$IA = (CC - LR)/DSA$$

where:

“**IA**” is the current INTEREST AMOUNT;

“**CC**” is the CASH COMPONENT;

“**LR**” is the LIQUIDITY RESERVE;

“**DSA**” is the amount of outstanding DEBENTURE BONDS on the respective INTEREST DETERMINATION DATE.

- 5.3 The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the relevant Interest Amount to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 5 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

6 MATURITY, REDEMPTION

- 6.1 The term of the DEBENTURE BONDS shall cease on the MATURITY DATE subject to extraordinary termination by the DEBENTURE BOND HOLDERS or the ISSUER.

- 6.2 Unless previously partially or completely redeemed, the ISSUER pays the REDEMPTION AMOUNT to each DEBENTURE BOND HOLDERS for each DEBENTURE BOND on the MATURITY DATE in accordance with these TERMS OF ISSUE, unless there is the occurrence of a MARKET DISTURBANCE. The ADMINISTRATION AND ACCOUNTING AGENT will calculate the REDEMPTION AMOUNT to be paid (the “**REDEMPTION AMOUNT**”) on a DEBENTURE BOND on the FINAL VALUATION DAY or immediately afterwards in accordance with the following formula and in the SPECIFIED CURRENCY:

$$RA = N * ((RP/IP) + CC)$$

where:

“**RA**” is the REDEMPTION AMOUNT;

“**N**” is the NOMINAL AMOUNT;

“**RP**” is the REDEMPTION PRICE on the FINAL VALUATION DAY;

“**IP**” is the ISSUE PRICE on the ISSUE DATE;

“**CC**” is the CASH COMPONENT;

“**FINAL VALUATION DAY**” is the 20th Bank Working Day before the MATURITY DATE. In the event of a MARKET DISTURBANCE (paragraph 7), the FINAL VALUATION DAY shifts, as does the corresponding MATURITY DATE, without the ISSUER being required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS.

- 6.3 The ADMINISTRATION AND ACCOUNTING AGENT will arrange for the REDEMPTION AMOUNT to be distributed to the DEBENTURE BOND HOLDERS and the ISSUER by making an announcement in accordance with paragraph 14. All certificates, communications, reports, assessments, calculations, quotes and decisions that are made, issued, gathered or obtained by the ADMINISTRATION AND ACCOUNTING AGENT for the purposes stipulated here in paragraph 6 are (unless any obvious error is apparent) binding for the ISSUER, the PAYING AGENT and the DEBENTURE BOND HOLDERS.

7 MARKET DISTURBANCES

- 7.1 If the ADMINISTRATION AND ACCOUNTING AGENT determines that a MARKET DISTURBANCE occurred on a VALUATION DAY, subject to paragraph 7.3, the VALUATION DAY is the next DESIGNATED REFERENCE ASSET VALUATION DAY where the ADMINISTRATION AND ACCOUNTING AGENT determines that no MARKET DISTURBANCE persists. In this context, the following are defined as:

“**CASH COMPONENT VALUATION DAY**”, with regard to CASH COMPONENTS, is the BANK WORKING DAY on which the assessment and transferability by the HYPOTHETICAL INVESTOR are possible.

With regard to COMPANY INVESTMENT, “**LOAN VALUATION DAY**” is a day (i) on which the REFERENCE COMPANY or a MANAGEMENT COMPANY determine the value of a COMPANY LOAN in accordance with the COMPANY DOCUMENTATION or, if the REFERENCE COMPANY only announces its aggregate net asset value, a day on which the REFERENCE COMPANY determines its aggregate net asset value, (ii) on which the redemption of the COMPANY INVESTMENT takes place at this value (without any restrictions on redemption, deferments, suspensions or other provisions taking effect that would enable the deferment or refusal of redemption of COMPANY LOAN by the REFERENCE COMPANY), and on (iii) which no credit event occurs to the REFERENCE COMPANY.

“**MARKET DISTURBANCE**” is the occurrence of a REFERENCE COMPANY VALUATION DISTURBANCE, with regard to the FINAL VALUATION DAY and the EARLY VALUATION DAY.

“**REFERENCE COMPANY VALUATION DISTURBANCE**” refers to a circumstance in which a DESIGNATED REFERENCE COMPANY VALUATION DAY for the CASH COMPONENT and/or the REFERENCE COMPANY is not a REFERENCE COMPANY VALUATION DAY or this REFERENCE COMPANY VALUATION DAY is continuously postponed.

“**REFERENCE COMPANY VALUATION DAY**” is every day that is (i) a CASH COMPONENT VALUATION DAY and (ii) a COMPANY VALUATION DAY.

“**DESIGNATED REFERENCE COMPANY VALUATION DAY**” is (i) every BANK WORKING DAY with regard to the CASH COMPONENT and (ii) a day (A) on which the REFERENCE COMPANY or a MANAGEMENT COMPANY should ordinarily determine the value of a COMPANY LOAN in accordance with the COMPANY DOCUMENTATION or, if the REFERENCE COMPANY only announces its aggregate net asset value, the day on which the REFERENCE COMPANY should ordinarily determine its aggregate net asset value and (B) on which the redemption of the COMPANY INVESTMENT takes place at this value (without any restrictions on redemption, deferments, suspensions or other provisions taking effect that would enable the deferment or refusal of redemption of COMPANY LOAN by the REFERENCE COMPANY).

- 7.2 The ADMINISTRATION AND ACCOUNTING AGENT will endeavour to notify the DEBENTURE BOND HOLDERS immediately that a MARKET DISTURBANCE has occurred in accordance with paragraph 14. However, there is no obligation to provide notification.
- 7.3 If the FINAL VALUATION DAY or EARLY VALUATION DAY has been postponed for more than 365 days under the provisions of this paragraph and a MARKET DISTURBANCE persists as determined by the ADMINISTRATION AND ACCOUNTING AGENCY on the immediately subsequent BANK WORKING DAY, this day (the existence of the MARKET DISTURBANCE notwithstanding) counts as the relevant VALUATION DAY and the ADMINISTRATION AND ACCOUNTING AGENT will determine the REDEMPTION PRICE at its own reasonable discretion and taking up to three previously obtained purchase offers from POTENTIAL BUYERS of COMPANY INVESTMENTS into consideration. The ADMINISTRATION AND ACCOUNTING AGENT will fix the REDEMPTION PRICE at the highest of the purchase offers received in this manner, which applies to all of the COMPANY INVESTMENT. If the only purchase offers available to the ADMINISTRATION AND ACCOUNTING AGENT are those that correspond to less than the total COMPANY INVESTMENT, the ADMINISTRATION AND ACCOUNTING AGENT will take this and the purchase offers obtained into proportional consideration at their own reasonable discretion. In determining the REDEMPTION PRICE, the ADMINISTRATION AND ACCOUNTING AGENT may also take into consideration all fees, costs, taxes and expenses incurred in relation with the redemption of COMPANY LOAN by the HYPOTHETICAL INVESTOR. If no offers are submitted by POTENTIAL BUYERS or a sale and/or transfer of the COMPANY INVESTMENTS to a POTENTIAL BUYER is prohibited or excluded, the REDEMPTION PRICE is zero. In this context, "POTENTIAL BUYER" is any market participant considered under the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable discretion as a purchaser of COMPANY INVESTMENTS in the secondary market because it can be approved as a REFERENCE COMPANY investor and purchaser of COMPANY INVESTMENTS in accordance with the COMPANY DOCUMENTATION and there are no grounds upon which the MANAGEMENT COMPANY could refuse to approve the transfer of COMPANY LOANS.
- 7.4 In the event of a MARKET DISTURBANCE, the maturity of the payments to be made by the ISSUER corresponding to the DEBENTURE BONDS is postponed until the ADMINISTRATION AND ACCOUNTING AGENT has gathered the necessary information pursuant to the above provisions. Additional interest or other payments are not owed as a result of this postponement.

8 ADJUSTMENTS

- 8.1 If, in the opinion of the ADMINISTRATION AND ACCOUNTING AGENT, POTENTIAL GROUNDS FOR ADJUSTMENT arise with regard to COMPANY INVESTMENT, COMPANY LOANS or the REFERENCE COMPANY at any time during the term of the DEBENTURE BONDS that, at the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable discretion, has a significant effect on the value of COMPANY INVESTMENT (weakening or strengthening the value) or on the calculation of the INTEREST AMOUNT, the REDEMPTION AMOUNT, the EARLY REDEMPTION AMOUNT or another amount payable for the DEBENTURE BONDS, the ADMINISTRATION AND ACCOUNTING AGENT is entitled, but not required (the provisions in paragraph 16.2(l) notwithstanding)
- (a) to undertake one or more appropriate adjustment(s) regarding the calculation of the INTEREST AMOUNT, the REDEMPTION AMOUNT, the EARLY REDEMPTION AMOUNT or another amount payable for the DEBENTURE BONDS, or all other requirements necessary for these calculations and/or to accommodate weakening or strengthening effects they deem appropriate to provide for POTENTIAL GROUNDS FOR ADJUSTMENT; and
 - (b) to determine the cut-off date(s) for the relevant adjustment(s).

In the event of a necessary adjustment, the ADMINISTRATION AND ACCOUNTING AGENT will undertake all reasonable efforts to ensure that the economic position of DEBENTURE BOND HOLDERS is altered as little as possible. The ADMINISTRATION AND ACCOUNTING AGENT will take the time until maturity of

the DEBENTURE BONDS and the latest available net asset value for the REFERENCE COMPANY into account when making an adjustment.

 - (iv) it requests the appointment of a receiver, provisional liquidator, conservator, insolvency administrator, trustee, custodian or other person with a similar function for itself or with regard to all or nearly all of its assets or is put under the control of such a person;

action is taken so that this secured party retains possession and that the legal proceedings are not rejected, voided, suspended or challenged within 15 days.

- (f) a change in the COMPANY, i.e. an amendment or modification of the COMPANY DOCUMENTATION with respect to the REFERENCE COMPANY which, in the ADMINISTRATION AND ACCOUNTING AGENT'S expert opinion, is expected to affect the value of COMPANY LOANS or the rights of HYPOTHETICAL INVESTORS in relation to what is valid on the ISSUE DATE.

- (h) an increase in hedging costs, this means that the ISSUER, or a third party with which the ISSUER has entered into a hedging transaction with respect to their obligations under the DEBENTURE BONDS, must pay a significantly higher amount in taxes, fees, costs or expenses compared to the prevailing rates on the ISSUE DATE (with the exception of brokerage fees) in order to
 - (i) undertake, purchase, renew, exchange, maintain, dissolve or sell a transaction or an asset that it considers necessary in order to hedge the price risk with regard to the REFERENCE COMPANY or COMPANY INVESTMENT;
 - (ii) realise, obtain or transfer the value of such a transaction or assetwhereby a significantly higher amount is not, solely, resulting from a deterioration in a counterparty's creditworthiness, is not considered as an increase in hedging costs;

9 CALCULATIONS; MONETARY PAYMENTS

- 9.1 The amounts payable on the DEBENTURE BONDS are calculated by the ADMINISTRATION AND ACCOUNTING AGENT and are announced in accordance with paragraph 14. Calculations are (unless there is any obvious error) final and binding for DEBENTURE BOND HOLDERS.
- 9.2 In every respect, all payments made by the ISSUER are subject to the applicable laws, provisions and procedures of the place of payment. The ISSUER assumes no liability in the event that it should not be in a position to carry out the payments owed under the DEBENTURE BONDS on account of these laws, provisions and procedures.
- 9.3 The ISSUER will initiate a payment for the accounts of DEBENTURE BOND HOLDERS for the amounts payable to the CLEARING HOUSE, pursuant to these TERMS OF ISSUE, via the CLEARING HOUSE'S PAYING AGENT. Upon payment of the amounts to the CLEARING HOUSE, the ISSUER is released from their payment obligations under the TERMS OF ISSUE.
- 9.4 All taxes, fees or other charges incurred in connection with monetary payments are to be borne and paid by the DEBENTURE BOND HOLDERS. The ISSUER and the PAYING AGENT are entitled to withhold any taxes, fees or charges that are to be paid by the DEBENTURE BOND HOLDERS from these monetary payments in accordance with the previous sentence.
- 9.5 Payments due on DEBENTURE BONDS are to be carried out in the SPECIFIED CURRENCY and subject to applicable fiscal and other regulations and provisions.
- 9.6 If the INTEREST PAYMENT DATE, REDEMPTION DAY or EARLY REDEMPTION DAY falls on a day that is not a BANK WORKING DAY, the DEBENTURE BOND HOLDERS are not entitled to payment until the immediately subsequent BANK WORKING DAY. The DEBENTURE BOND HOLDERS are not entitled to request further interest or other payments due to this postponement.
- 9.7 To clarify: there will be no interest payment on the amounts to be paid under the DEBENTURE BONDS between the INTEREST PAYMENT DATE, the MATURITY DATE or the EARLY REDEMPTION DAY and the actual receipt of the relevant payment.

10 NO SUBMISSION OF AN APPLICATION FOR INSOLVENCY

- 10.1 The DEBENTURE BOND HOLDERS must agree not to file for any dissolution of the ISSUER or the COMPANY, nor to initiate any insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, nor to join any such claim by a third party, with the exception of the enforcement of claims in the event of liquidation proceedings filed by another person and steps to obtain a statement or decision regarding the obligations of the ISSUER hereto.
- 10.2 If a DEBENTURE BOND HOLDERS files for the dissolution of the ISSUER or the COMPANY, initiates insolvency proceedings on the assets of the ISSUER or the COMPANY or any similar proceedings for the settlement of the ISSUER or the COMPANY or their assets, or joins any such claim by a third party contrary to paragraph 10.1, they lose all rights specified in paragraph 1.2.

11 COMPARTMENT ASSETS

- 11.1 The ISSUER will use the net proceeds from the issuance of DEBENTURE BONDS for the purpose of replicating the investment and risk profile of the REFERENCE ASSET (e.g. either by (i) directly holding the COMPANY LOANS of the REFERENCE COMPANY or (ii) investing in the REFERENCE COMPANY on the basis of a “synthetic” figure (e.g. in the form of a total return swap)) (the “**COMPARTMENT ASSETS**”). The ISSUER is not required to directly invest the issuance proceeds in the REFERENCE COMPANY.
- 11.2 The COMPANY undertakes not to enter into any other obligations in connection with Compartment 2014/425 and in particular with regard to the COMPARTMENT ASSETS held in this compartment other than those arising from or in connection with the direct or indirect representation of the REFERENCE ASSET’S investment and risk profile.
- 11.3 The COMPANY undertakes to limit obligations that are not related to Compartment 2014/425 to other compartments or the COMPANY’S parent company and to include limitation clauses that essentially correspond to the provisions in paragraphs 10 and 12 in all future contracts on the obligations of Compartment 2014/425. Compartment 2014/425 is not liable for the COMPANY’S other compartments.

12 LIMITED RECOURSE

- 12.1 All claims that the DEBENTURE BOND HOLDERS may assert against the ISSUER are limited to the proceeds from the liquidation of COMPARTMENT ASSETS. The settlement of the DEBENTURE BOND HOLDERS’ claims is carried out on a pro rata basis in the NOMINAL AMOUNT of DEBENTURE BONDS held by the relevant DEBENTURE BOND HOLDERS based on the total NOMINAL AMOUNT of any outstanding DEBENTURE BONDS. The ISSUER is not required to make any payments in addition to the distribution of the proceeds from the liquidation of COMPARTMENT ASSETS. DEBENTURE BOND HOLDERS may not make any claims to the issue or delivery of COMPARTMENT ASSETS. In the event that the COMPARTMENT ASSETS are inadequate to cover the ultimate complete settlement of claims by DEBENTURE BOND HOLDERS, the ISSUER is not required to pay any shortfall and DEBENTURE BOND HOLDERS may not assert any further claims against the ISSUER. The COMPARTMENT ASSETS and the proceeds from their liquidation are considered “not ultimately adequate” if no further COMPARTMENT ASSETS are available at this time and no further proceeds can be realised for the settlement of outstanding claims by DEBENTURE BOND HOLDERS. In this case, the right to complete redemption does not apply. DEBENTURE BOND HOLDERS do not have access to other COMPANY accounts or assets.
- 12.2 The ISSUER’S payment obligations resulting from or in connection with these TERMS OF ISSUE are always subject to the condition that the ISSUER has actually received a corresponding payment from the liquidation of the COMPARTMENT ASSETS in good time before the deadline for each claim for payment. If the ISSUER has not actually received such a payment in full (be it because of a tax deduction or any other reason), DEBENTURE BOND HOLDERS may only make a claim for payment amounting to the proportion of their DEBENTURE BONDS to all amounts actually paid to the ISSUER from the liquidation of the COMPARTMENT ASSETS. Furthermore, DEBENTURE BOND HOLDERS are not entitled to make claims in these cases, particularly not with regard to any assets of other COMPANY compartments.
- 12.3 DEBENTURE BOND HOLDERS are not entitled to make any direct legal claims whatsoever against the ISSUER or recipients of COMPARTMENT ASSETS.

13 PAYING AGENT AND ADMINISTRATION AND ACCOUNTING AGENT

- 13.1 Bankhaus Neelmeyer AG, with corporate seat in Bremen, assumes the function of PAYING AGENT. The ISSUER is entitled at any time to replace the PAYING AGENT with another bank or financial institution with similar creditworthiness whose main branch or subsidiary is located in an OECD member state (an “**INSTITUTION**”), to authorise one or more additional PAYING AGENTS and to revoke their authorisation at any time. Replacements, authorisations and revocations must be announced im-

mediately in accordance with paragraph 14. The PAYING AGENT may resign as PAYING AGENT at any time. Such resignation will only become effective only with the authorisation of another INSTITUTION as PAYING AGENT by the ISSUER. Resignations and authorisations must be announced immediately in accordance with paragraph 14.

- 13.2 MEDIAN SERVICES (LUX) SA, having its corporate seat in Luxembourg, assumes the function of ADMINISTRATION AND ACCOUNTING AGENT. The ISSUER is entitled at any time to replace the ADMINISTRATION AND ACCOUNTING AGENT with an INSTITUTION and to revoke their authorisation at any time. Replacements, authorisations and revocations must be announced immediately in accordance with paragraph 14. The ADMINISTRATION AND ACCOUNTING AGENT is entitled to resign as ADMINISTRATION AND ACCOUNTING AGENT at any time. Such resignation will become effective only with the authorisation of another INSTITUTION as ADMINISTRATION AND ACCOUNTING AGENT by the ISSUER. Resignations and authorisations must be announced immediately in accordance with paragraph 14.
- 13.3 The PAYING AGENT and THE ADMINISTRATION AND ACCOUNTING AGENT exclusively act as vicarious agents of the ISSUER and are in no way accountable to the DEBENTURE BOND BEARERS. The PAYING AGENT and the ADMINISTRATION AND ACCOUNTING AGENT are exempted from the self-contracting restrictions and the prohibition of self-dealing.
- 13.4 Neither the ISSUER nor the PAYING AGENT are required to verify the authorisation of the party presenting the DEBENTURE BONDS.

14 ANNOUNCEMENTS

Where permitted, the ISSUER will provide announcements in accordance with the requirements of the laws in effect in Luxembourg through a notice to the CLEARING HOUSE to be forwarded to DEBENTURE BOND HOLDERS or provided directly to DEBENTURE BOND HOLDERS. Announcements via the CLEARING HOUSE are valid on the third day after notice is given to the CLEARING HOUSE; direct notifications are deemed effective upon their receipt.

15 INCREASES; REPURCHASES

- 15.1 The ISSUER is entitled to issue further Debenture Bonds with the same conditions at any time, which may be combined with the DEBENTURE BONDS, form a single issue with them and increase their number. In the event of such an increase, the term "DEBENTURE BOND" covers all such Debenture Bonds additionally issued.
- 15.2 The ISSUER is entitled, but not obliged, to repurchase DEBENTURE BONDS at any time on the stock market or through over-the-counter transactions at a fair value price. The ISSUER is not required to report this to DEBENTURE BOND HOLDERS. The repurchased DEBENTURE BONDS may be invalidated, held, resold or used by the ISSUER in any other way.

16 TERMINATION OF DEBENTURE BONDS

- 16.1 Neither the ISSUER nor the DEBENTURE BOND HOLDERS are entitled to terminate DEBENTURE BONDS.
- 16.2 The ISSUER is entitled, but not required, to terminate DEBENTURE BONDS in extraordinary circumstances by giving notice pursuant to paragraph 14 and to repay them on the EARLY REDEMPTION DAY designated by the ISSUER to be immediately announced pursuant to paragraph 14 and the following provisions on EARLY REDEMPTION AMOUNTS if the ISSUER determines at its own reasonable discretion that
- (a) the ISSUER will lose their authorisation pursuant to the LAW OF 2004;
 - (b) an insolvency proceeding or similar process under applicable law was filed for the ISSUER regarding the ISSUER'S assets;

- (c) with regard to COMPANY LOANS, payments are not made or are not paid in full to the HYPOTHETICAL INVESTOR in accordance with the relevant provisions underlying COMPANY LOANS despite being due;
- (d) a mandatory return is ordered for all or a portion of the COMPANY LOANS;
- (e) a CREDIT EVENT occurs to the REFERENCE COMPANY
- (f) a net asset event occurs, i.e. with respect to the REFERENCE COMPANY
 - (i) the value of a COMPANY LOAN announced during an annual observation period has decreased by an amount corresponding to or exceeding a value of 30% (fluctuation limit); or
 - (ii) it breaches a statutory restriction relating to leverage that applies to or concerns it or its assets, a judicial or otherwise officially ordered decision or provision that applies to it or its assets, its COMPANY DOCUMENTATION or a contractual limitation that concerns it or its assets;
- (g) a violation of strategy, i.e. a breach or violation of the strategy or investment guidelines laid out in the COMPANY DOCUMENTATION with respect to the REFERENCE COMPANY which, in the ADMINISTRATION AND ACCOUNTING AGENT'S reasonable opinion, is capable of affecting the value of COMPANY LOANS or the rights of HYPOTHETICAL INVESTORS;
- (h) a regulatory action, i.e. with respect to the REFERENCE COMPANY
 - (i) the cancellation, suspension or revocation of the registration or authorisation of the REFERENCE COMPANY or the COMPANY LOANS by any government authority or a regulatory authority with competent jurisdiction;
 - (ii) and change in the legal, fiscal, financial or regulatory treatment of the REFERENCE COMPANY or its consultants or managers which, in the reasonable opinion of the ADMINISTRATION AND ACCOUNTING AGENT, is capable of having a detrimental effect on the value of COMPANY LOANS or on the HYPOTHETICAL INVESTOR; or
 - (iii) that the REFERENCE COMPANY or COMPANY PROVIDER becomes the subject of an investigation, proceeding or litigation by a governmental authority or other regulatory authority with respect to a possible violation of the applicable laws governing trade relating to or resulting from REFERENCE COMPANY transactions;
- (i) a disruption of information, i.e. with respect to the REFERENCE COMPANY
 - (i) the occurrence of an event that, in the reasonable opinion of the ADMINISTRATION AND ACCOUNTING AGENT, makes the determination of the value of COMPANY LOANS impossible or impracticable for the ADMINISTRATION AND ACCOUNTING AGENT and this persists for at least 180 days;
 - (iii) the failure of the REFERENCE COMPANY (A) to provide or arrange for the provision of information whose delivery to the ISSUER, the ADMINISTRATION AND ACCOUNTING AGENT or the HYPOTHETICAL INVESTOR was required, or (B) information that was hitherto provided to the aforementioned persons according to the standard commercial practice of the REFERENCE COMPANY or the COMPANY PROVIDER and, in the opinion of the ADMINISTRATION AND ACCOUNTING AGENT, is necessary to ensure that the ISSUER or HYPOTHETICAL INVESTOR is able to monitor compliance with the investment guidelines, asset distribution principles and other similar REFERENCE COMPANY guidelines;
- (j) a legal change, i.e. on or after the ISSUE DATE

- (i) due to the adoption or amendment to any applicable law or regulation (especially a tax law); or
- (ii) due to the promulgation or amendment of the interpretation of any applicable law or regulation by a competent court, a court of law or a regulatory authority (especially those involving the tax authorities);

the ADMINISTRATION AND ACCOUNTING AGENT may reasonably arrive at the conclusion that the purchase, holding or sale of COMPANY LOANS has become unacceptable or that the ISSUER is being subjected to significantly increased costs in connection with the fulfilment of its obligations for the DEBENTURE BONDS (especially due to increased tax obligations, a reduction in tax benefits or any other adverse effect on its tax position);

- (k) the ISSUER determines in good faith that the performance of its obligations for the DEBENTURE BONDS or the transactions undertaken by it to simulate the REFERENCE ASSET'S investment and risk profile is or will become wholly or partially illegal, unlawful or prohibited for any other reason in accordance with current or future valid legal provisions, rules, judgements, orders or guidelines by a governmental, administrative or legal entity, authority or court, or an amendment to the interpretation thereof;
- (l) an amendment to the COMPANY DOCUMENTATION will be undertaken that is expected to have a significant negative effect on the value of the HYPOTHETICAL INVESTOR'S investment in the REFERENCE COMPANY or the rights of REFERENCE COMPANY unit holders; or
- (m) in the ADMINISTRATION AND ACCOUNTING AGENT'S opinion, an adjustment pursuant to paragraph 8 is not possible or is not economically feasible;

and this occurrence has an economically detrimental effect on the DEBENTURE BONDS in the reasonable estimation of the ADMINISTRATION AND ACCOUNTING AGENT.

16.3 The DEBENTURE BOND HOLDERS are entitled to terminate DEBENTURE BONDS at any time for good cause via registered letter to the ISSUER. Pursuant to the preceding sentence, the notice of termination must include adequate documentation of ownership of the DEBENTURE BONDS by the relevant DEBENTURE BOND HOLDERS, such as a current deposit statement. Termination comes into effect upon the receipt of the notice of termination by the ISSUER. In such a case, redemption of DEBENTURE BONDS is carried out on the EARLY REDEMPTION DATE and equal to the EARLY REDEMPTION AMOUNT. In particular, good cause for extraordinary termination by the DEBENTURE BOND HOLDERS includes:

- (a) the dissolution or liquidation of the ISSUER or the COMPANY and the start of insolvency proceedings or similar proceedings against the ISSUER or the COMPANY, including the dismissal or termination of such proceedings due to insufficient assets; and
- (b) in the event of substantial misconduct or fraud by a Member of the Board (Director) of the ISSUER, provided that this misconduct or fraud is (i) established by a valid court decision or (ii) has been acknowledged as misconduct by the Board Member in question unless the ISSUER immediately recalls the Board Member in question.

A DEBENTURE BOND HOLDER'S right of termination ceases if the cause has been rectified prior to the right of termination being exercised, as stipulated here in paragraph 16.3.

16.4 According to this paragraph 16, the following capitalised terms associated with the termination of DEBENTURE BONDS are defined as follows:

"EARLY VALUATION DAY" is the next REFERENCE ASSET VALUATION DAY following the effective termination of DEBENTURE BONDS by the ISSUER or the DEBENTURE BOND BEARERS.

“**EARLY REDEMPTION AMOUNT**” is the amount per DEBENTURE BOND in the SPECIFIED CURRENCY on the EARLY VALUATION DAY specified by the ADMINISTRATION AND ACCOUNTING AGENT at its own reasonable discretion in accordance with paragraph 6.2 and, if applicable, under consideration of the provisions on MARKET DISTURBANCES (paragraph 7).

“**EARLY REDEMPTION DAY**” is a BANK WORKING DAY within a period of 4 BANK WORKING DAYS following the EARLY VALUATION DAY.

17 EXCLUSION OF LIABILITY

The ISSUER, the ADMINISTRATION AND ACCOUNTING AGENT and the PAYING AGENT shall in no way be liable to DEBENTURE BOND HOLDERS or third parties for

- (a) a negative performance of the REFERENCE ASSET, the undertaking of payments using the REFERENCE COMPANY or other payments of underlying values in accordance with these TERMS OF ISSUE associated with the REFERENCE COMPANY; or
- (b) decisions, acts or omissions by the REFERENCE COMPANY or those people employed there as managing directors or supervisors, especially not for the undertaking or the omission of payments or the calculations, communications and statements made by the REFERENCE COMPANY.

18 MISCELLANEOUS

18.1 The form and content of the DEBENTURE BONDS and all rights and obligations arising from the issues provided for in these TERMS OF ISSUE are determined by the laws of the Grand Duchy of Luxembourg for all intents and purposes, excluding the provisions concerning international conflict of laws.

18.2 DEBENTURE BOND HOLDERS’ resolutions generally require a simple majority of those voting rights exercised, whereas for resolutions that amend the substance of the TERMS OF ISSUE, a majority of at least 75% of participating votes is required. DEBENTURE BOND HOLDERS resolutions are effected by way of a vote without holding a meeting. The holders’ vote should be initiated by the ISSUER or the common representative of the DEBENTURE BOND HOLDERS. A holders’ meeting is convened if DEBENTURE BOND HOLDERS whose total DEBENTURE BONDS account for 5% of outstanding DEBENTURE BONDS request this in writing and justify this with any special interests. The bearers’ meeting is quorate if the participating DEBENTURE BOND HOLDERS represent a value of at least 50% of the outstanding DEBENTURE BONDS. If a quorum cannot be met and a new meeting must be convened, this is generally always quorate and must represent at least 25% of outstanding DEBENTURE BONDS in order to make decisions with a qualified majority.

18.3 The place of performance is the Grand Duchy of Luxembourg.

18.4 All disputes arising in connection with these TERMS OF ISSUE or their validity will be ultimately decided in accordance with the rules of arbitration of the arbitration board of the Chamber of Commerce of the Grand Duchy of Luxembourg without the possibility of recourse to legal action. The place of arbitration proceedings is Luxembourg. The language of arbitration proceedings is German. The arbitration tribunal consists of three arbitrators.

18.5 Under these TERMS OF ISSUE, the ISSUER is entitled to amend or supplement

- (a) obvious clerical errors or miscalculations or similar obvious errors; and
- (b) contradictory or incomplete provisions without the consent of DEBENTURE BOND HOLDERS

where, in the cases referred to in (b), only those amendments or supplements are permitted which are reasonable for the DEBENTURE BOND HOLDERS and which take into account the interests of the ISSUER, i.e. those that do not significantly weaken the financial situation of the DEBENTURE BOND

HOLDERS. Amendments and supplements to these TERMS OF ISSUE must be announced by the ISSUER immediately pursuant to paragraph 14.

- 18.6 In accordance with Article 95 of the Luxembourg Law of 15 August 1915 on Commercial Companies, the provisions of Articles 86 to 94-8 of the same Law do not apply to DEBENTURE BONDS.
- 18.7 Should a provision of these TERMS OF ISSUE be or become wholly or partially invalid, the remaining provisions shall remain valid so long as the ISSUER is not required to pay additional interest or other amounts to DEBENTURE BOND HOLDERS. The invalid provision shall be replaced by a valid provision that reflects the economic intent of the invalid provision as closely as legally possible.
